

# Permission Slip for Participation in Special Species Project

Please print, copy, and send home with each child to be signed and returned.

Your child is invited to contribute written and artistic works for:

- Publication on the Special Species Web site ([www.specialspecies.com](http://www.specialspecies.com))
- Possible future use in books and related project materials

## For your child to contribute:

1. Read the three choices below.
2. Place an X in the box next to your desired choice.
3. Print your child's name in the provided area.
4. Print the name of your child's teacher and school in the provided area.
5. Sign and date the permission slip and have your child return it to the teacher.

**Important:** Children who do not submit a signed permission slip will automatically be omitted from project participation.

## Choices:

**I hereby grant permission** for my child to take part in the Special Species project. **I consent** to the use of my child's written and artistic work, without compensation, now and in the future.

**You may print** my child's full name with her or his work (to provide author and artistic credit).

**I hereby grant permission** for my child to take part in the Special Species project. **I consent** to the use of my child's written and artistic work, without compensation, now and in the future.

**Do not print** my child's full name with her or his work. (Place an X next to the desired option.)

**Use** my child's first name and last initial only.

**Do not** use my child's name.

**I do not grant permission** for my child to take part in the Special Species project.

**Do not use** my child's writing, art, or name.
